

Hi JJ,

A huge thank you to you and your fabulous team. We were confident from the get go that you would delivery an afternoon of fun and you did so with such professionalism and confidence. Everyone came out of your class bouncing, smiling and full of energy which is a testament to your passion for Salsa - encouraging everyone to get up and have a go. Your session added a fantastic element to the afternoons schedule.

We would welcome working with you again and would not hesitate to recommend you in the future.

Until next time.....all the best

Gemma
