

Hi John-James,

Just a quick note to say a huge thank you in your contribution in my birthday weekend.  
Your 3 hours of salsa/cha cha cha lessons were superb, enjoyed by everyone  
and are still a talking point now.

I would certainly recommend you to anybody who was hosting a private party/function  
your attention to detail and professionalism throughout our dealings was fantastic,  
thanks again for being part of my birthday weekend.

I will send you a couple of photographs if you want to post them on your  
website or use them in any way to promote your business it is fine by me.

All the best for the future

JOHN SLAGER
